A: The reason why you are getting the message "Could not load the file..." is that you have the wrong file path. You are running the 32-bit version of the program on a 64-bit operating system. So your file path should be something like: C:\Users\User\AppData\Local\Temp\RINGetabs2013.exe Or if you just want to use a different folder to the one with the 32-bit version then you could use the %temp% folder for the 64-bit version. For more information see Running 64-bit application on 32-bit OS Fernando Lara Fernando Javier Lara Rodriguez (born 15 March 1982) is a Venezuelan former professional racing cyclist.
