Download: tumblr... To decompile your AMX plugin simply follow these steps: Zezombia to I. How To Decompile Plugins, and How To Protect Them (AMXX to SMA) Download AMX STUDIO @ www.amxmodx.org. AMXX Studio To AMX... is the download manager for developers. Its name is MGW, for. Christina Aguilera's much-talked-about secret wedding to Matt Rutler that some say was a sham as the couple has been seen together on numerous occasions. However, Aguilera and Rutler's marriage is likely to remain a non-issue after news broke that the singer is having a baby with Rutler. The 33-year-old 'The Voice' coach is currently six months pregnant and is due in December. There has been much speculation that Aguilera was pregnant when she married Rutler. However, Aguilera has been in a relationship with Rutler for some time. Despite the rumours, the couple never acknowledged their relationship until recently when they were seen together at the CMA Awards where the singer took home the prestigious honor of 'Female Vocalist of the Year'. While many folks still think the marriage between the two is a sham, there is now at least one picture that backs up the rumors. Matt Rutler took a trip to Arizona in May to be with Aguilera during her birthday week and the singer posted a picture on Instagram where she is seen sitting in a bathtub with the partner of the 'Beautiful' singer. Aguilera is also seen holding the hand of Rutler while the couple's faces are covered, which led to many to believe that it's a secret wedding. During that same time, the couple was also seen on multiple other occasions together. There have been reports that the pair are already expecting a baby since they haven't been very discreet about their relationship and the singer's supposed miscarriage. However, the new picture of Aguilera with Rutler, while fueling the rumors, does seem to back up the reports that
