That's how you can find it and extract it. Seasons of our Discontent Seasons of our Discontent is the nineteenth studio album by Finnish melodic death metal band Children of Bodom released on 12 June 2015 through Nuclear Blast Records. It is the first album to be released by the band through Nuclear Blast's new American division Records. It is also the band's first album in five years, following Destroy the Alarm in 2013. The first single from the album, "I Hate You", was released on 11 May 2015 and the song was serviced to radio stations on 15 June 2015. Track listing Personnel Children of Bodom Jaska Raatikainen - vocals, bass guitar, orchestration on tracks 3, 6, 10, and 12 Alexi Laiho - guitars, additional keyboards, backing vocals Henki Kausinen - drums Additional personnel Jyri "Joker" Kangas - guitars, backing vocals Pasi Rantanen - vocals, keyboards Helena Josefsson - backing vocals on track 7 Tomi Koivunen - orchestration on track 3 Erkki Salmenkallio - orchestration on track 10 Riku Niemi - orchestration on track 12 Antti Hyyrynen - orchestration on track 12 Production Jyri Kangas - production Mika Jussila - engineering Janne Wirman - mastering Jaska Raatikainen - mixing, engineering Charts References Category:Children of Bodom albums Category:2015 albums Category:Nuclear Blast albumsQ: Revert css properties on transition-duration I have a CSS issue where I would like to be able to dynamically change the transition-duration in JavaScript, and revert the change if a user clicks elsewhere on the page. My problem is that I can't seem to be able to change CSS properties after I've transitioned them, which is why this example is failing. `var x = document.getElementById("red"); x.style.transitionDuration = 5000; x.style.transition-property = "box-shadow"; var y = document.getElementById("yellow"); y.style.transition-` f30f4ceada
