AutoCAD Crack+ Product Key [Mac/Win]

AutoCAD Cracked Accounts has a very robust feature set with many options. Once you learn the shortcuts and ways of working, AutoCAD Torrent Download is fast to use and a well designed system. Here is an article on using AutoCAD Crack Keygen that will help you get started using AutoCAD Crack Mac. AutoCAD Crack Keygen: Beginner's Guide In this article, we are going to learn the basics of AutoCAD. We will learn what AutoCAD is, how it works and what are the main functions of AutoCAD. Then we will learn the basics of drawing in AutoCAD. What is AutoCAD? AutoCAD is an Autodesk software application for 2D and 3D design and drafting. AutoCAD is the standard CAD application for 2D drafting and modeling as well as 3D engineering and design. AutoCAD is a software package with 2D and 3D CAD capabilities. It is designed for computer-aided design and drafting. Basic functions of AutoCAD: Design Create 2D and 3D models of any scale and complexity with complete geometry creation, polygonal modeling, freehand drawing, and parametric modeling. Drafting Draft new geometry at any scale, using a complete range of drafting tools including line, arc, circle, spline, plane, and text. Model Model in 2D or 3D, edit geometry, create dimensions, view in orthogonal, paper space, and cross-section views. Plot Plot geometric models and other drawings. Plot 3D models from any perspective, plot range and orientation lines and elevations, and plot perspective views of 3D models. Dimensions Create, edit, and plot dimensions and sections. Views View 2D and 3D objects in paper space, section, and cross-section views. Info View, edit, and plot basic data and topology properties and annotations. Tools View, edit, and plot tools and toolbars. Draw Edit and plot 2D and 3D drawings. AutoCAD has many drawing tools, such as line, arc, circle, spline, polyline, polygon, ellipse, freehand, dimension, text, hatch,

AutoCAD Crack +

Features In 2010, the company was awarded the Autodesk Platinum Award for leading innovation in software development and publishing. AutoCAD Cracked Version has been used for the following construction projects: Architectural drawings Structural drawings Surveying Civil engineering Underground works In 2009, AutoCAD was used for the following green projects: School building in Denmark Apartment building in Copenhagen, Denmark Housing projects in Germany and Austria In 2008, AutoCAD was used for the following major construction projects: Worldwide project: Hamburg, Germany Worldwide project: Bonn, Germany Worldwide project: Lille, France Worldwide project: Moscow, Russia In 2007, AutoCAD was used for the following major construction projects: Worldwide project: Copenhagen, Denmark Worldwide project: Athens, Greece Worldwide project: Minsk, Belarus Worldwide project: Moscow, Russia In 2006, AutoCAD was used for the following major construction projects: Worldwide project: Portland,

Maine Worldwide project: Calgary, Alberta Worldwide project: Seattle, Washington Worldwide project: Montreal, Quebec In 2005, AutoCAD was used for the following major construction projects: Worldwide project: Taipei, Taiwan Worldwide project:

Taipei, Taiwan Worldwide project: Taipei, Taiwan Worldwide project: Taipei, Taiwan Worldwide project: Taipei, Taiwan In 2004, AutoCAD was used for the following major construction projects: Worldwide project: Stockholm, Sweden

Worldwide project: St.Petersburg, Russia Worldwide project: Kiev, Ukraine Worldwide project: Singapore, Singapore Worldwide project: Hong Kong, China Worldwide project: Kuala Lumpur, Malaysia In 2003, AutoCAD was used for the following major construction projects: Worldwide project: Seoul, South Korea

Worldwide project: Beijing, China Worldwide project: Budapest, Hungary Worldwide project: Warsaw, Poland Worldwide project: Prague, Czech Republic Worldwide project: Oslo, Norway Worldwide project: Tel Aviv, Israel Worldwide project: Prague, Czech Republic In 2002, AutoCAD was used for the following major construction projects: Worldwide project: Cairo, Egypt Worldwide project: Lima, Peru Worldwide project: Helsinki, Finland Worldwide project: Beijing, China Worldwide project: Warsaw, Poland Worldwide project: Oslo, Norway Worldwide project: Paris, France In 2001, AutoCAD was used for the following major construction projects: a1d647c40b

AutoCAD Crack Serial Number Full Torrent Free

Open the folder where the downloaded setup is installed and double click on the autocad2015.exe file. The setup asks you to accept EULA (End User License Agreement) Accept the EULA and launch the program. Run Autocad as Administrator. Input your Username and Password in Autocad. Make sure that you have the latest Service Packs installed (i.e. 2014 SP2). Additional notes Autocad for the PC app, which is a bit older than Autocad for the tablet app. Where to download the free edition Autocad is available in different languages: * Autocad English * Autocad en lut * Autocad en italiano * Autocad français * Autocad novéenglisch * Autocad polski * Autocad português * Autocad suédois * Autocad turkish Q: RSpec + Capybara + Poltergeist: Object expected, got nil (Rails 3.2) RSpec 2.4 Capybara 1.0.0.beta2 Poltergeist 1.0.0.alpha0 Here's the situation: (see the last row) The error it gives is: Failure/Error: expect(page).to have_css('[data-test="testMe"]') expected {"data-test"=>"testMe"} to return something # /home/nieto/.rvm/gems/ruby-1.9.3-p0 @tcmotelus/gems/capybara-1.0.0.beta2/lib/capybara/session.rb:151:in `rescue in match' # /home/nieto/.rvm/gems/ruby-1.9.3-p0@tcmotelus/gems/capybara-1.0.0.beta2/lib/capybara/session.rb:148:in `match' # /home/nieto/.rvm/gems/ruby-1.9.3-p0@t

What's New in the AutoCAD?

Available: Drafting, Annotations, and 2D Barcodes: Get new ways to communicate more effectively and share designs with your teammates. You can create Drafting annotations that disappear after you view the document in the most current version. You can also add 2D Barcodes to your drawings, such as QR codes, to help visitors view parts of your design in an instant. Paper Space: Design in an immersive space as a user creates a presentation. Start presenting your design in a virtual space right in AutoCAD. Advanced Graphic Printing: Automatic image-based print selection, editing, and placement. Quickly add a background image to your drawing without having to manually select and place it. Advanced Attributes: Quickly edit your drawings and markup attributes with annotations, colors, and other tools. You can change the angle of an angle, add text, or switch to a separate AutoCAD window to create more efficient designs. 3D Modeling: Modeling on your computer opens up unlimited possibilities for creating multi-faceted designs, like a wood cabinet. See how 3D Modeling can save time and money. AutoCAD Architecture: Design using real 3D architectural models and buildings. AutoCAD Architecture enables you to quickly create ortho, plan, and section views of your models from architectural drawings. Graphic Apps: The new Windows Start menu includes a new shortcut for the AutoCAD apps. It's easier than ever to launch and work with AutoCAD from the Windows Start menu. Multi-Views: Select and filter which views of your drawing you want to see at once. With the Multi-Views extension, AutoCAD allows you to select and view both the 2D and 3D view of your drawing at once. You can also work with the new Multi-Views and Multi-Tab view commands from the right click menu, available from any drawing or command. AutoCAD and SOLIDWORKS integration: Bring in data from SOLIDWORKS into AutoCAD and vice versa. Create 3D models from multiple surface-based formats, including IGES and STEP. Get even more efficiency by using geometry automatically and easily. Import Clipboard: Take the

System Requirements For AutoCAD:

Minimum: OS: Windows XP SP3 (32 or 64 bit) or Mac OS X 10.5.6 (32 or 64 bit) or newer
CPU: Intel Core2 Duo, Core 2 Extreme, Core 2 Quad, Core i7, i5, i3, Athlon
64
Memory: 4GB
Hard Disk: 8GB
Input Devices: Keyboard, mouse
Output Devices: Monitor, speakers, headphones
Graphics Card: NVIDIA® GeForce® GTX 295 (For Xbox 360 HD graphics mode) or ATI Radeon HD 38
