Movie name : Dosty : Friends forever Dosty : Friends forever (2005) Starring... Uploader didn't do it... Plot... They are high school graduates. It was yesterday. Now they are students. Its end. They know it. They are friends forever. They know it. They are enemies forever. They know it. There are no positive characters in this film. No one. This is a story about love and friendship. About how these two concepts are incompatible. I will not describe the plot of this film, since it has already been described and retold. The film consists of two parts.
