Battlefield 1942 v1.1 ENG - CODEC Fixes. Battlefield 1942 v1.1 ENG CLOSED. 25 November 2003 Battlefield 1942 v1.1 ENG (Closed) December 11, 2003 Battlefield 1942 v1.0 ENG (closed) January 25, 2004 Battlefield 1942 v1.0 ENG Battlefield 1942 v1.1 ENG Some bugs fixed: Income Creds, Customized Weapons No CD required One of the greatest army battles of the 20th century is back with Battlefield 1942, The Great War! Now more playable, more realistic, and more explosive than ever. A whole world of epic battles awaits you at war. Battlefield 1942 v1.0 ENG . . . RELEASE LOG: =For those who wish to know more about release = =I do not have any comment for you to read, other than than I do not = =own the source code = =any other information or comment, other than yours. = =The patch is installed, and the files have been placed in their res = =installs, and can be put back in their original folders. = =If you have any questions please contact. = =Many thanks, = =RD = A: Do you have Battlefield 1942 installed? If so, I would start by launching the game and see what happens. This is a fairly common problem. I would suggest that you remove the game from your machine, then start a new game, and then see if it works. Blair man jailed for making £2,700 from fraud A young Blair man has been jailed for four years after being caught forging a cheque. Police were called after a cheque drawn on the Morrison's General Store was found to be forged in October. In court 82138339de
