for Windows and Mac. Supaplex CLASSIC Supaplex 2 (HARD) Supaplex SQUARES Victor Ismagilov, Danila Gorozhanin For SUPAPLEX game professionals. com.ua: Viktor, how long have you been playing Supaplex? What do you think about the control system? Viktor Ismagilov: I started playing Supaplex in the middle of 2004. The control system in this game, as in all Supaplex games, is an RTS, that is, a first-person game where you have to build, defend and capture bases. Capturing the enemy base is the main goal of the Supaplex player. I can't say exactly how many players in our country work in this game and how many of those who play it professionally.
