May 31, 2564 BC. - The serial number is valid but associated with a different product (for example, AutoCAD LT 2010 versus AutoCAD 2010). The serial number is valid ... In July 2015, the release of version 2014 was announced with a license "inherited" from current versions (Unlimited), but without new protection mechanisms (a built-in protection module is offered instead), as well as with a new mechanism for generating serial numbers [9]. For 2015, the following activation system is in effect: When activated using Windows Activation Technologies, either the Activation Changer program or the Activation Changer Tool is used. To activate you need:
