System Requirements:

Software: We don't know everything. We can't test your system as thoroughly as you can. Before purchasing your computer, ask a trusted friend or family member to check it with a scanner and see if the purchase will work. They can also double check the key numbers to make sure that your model number is correct. If you have further questions about the system requirements, please contact one of our representatives at 888-625-3811. [View Learn How to Detect Virus with Antivirus Software](#)
