My favorite Japanese manga that tells and shares "what real friendship looks like". Naoko Nemoto or Nikki is an ordinary teenage girl who. And at one of these moments, she meets Satoru, who turns everything upside down. He breaks into her life and becomes for her not an ordinary friend, but the one who completely changes her - her real best friend. He became for her a person who will always help her and support her. With the help of Satoru, Nikki becomes who she always wanted to be. Satoru became the one with whom she felt calm and safe in her body.
