HyperMotion Technology is available in FIFA Ultimate Team. To purchase hypermotion technology packs, visit the FIFA Ultimate Team store. Top 10 FIFA Players The following list presents the top 10 players in our top-ten FIFA players vote. Note: Players are listed in order of votes received. 1. Alexandre Pato FIFA 22 introduces a more fluid, dynamic game to football. The new gameplay elements of hypermotion, ball physics and verticality allow us to deliver a revolutionary football experience. But a player with immense power also opens up the game and makes attacks more unpredictable and open up new possibilities. Alexandre Pato embodies those qualities perfectly. Alexandre offers a unique combination of strength and finesse. Together with the ability to read the game, his positioning, vision, and acceleration allows him to be a highly effective combination forward. No one can match his predatory instincts or his speed, and no one can beat his ability to turn defence into attack. 2. Neymar Neymar is a Brazilian footballer who plays for Spanish club FC Barcelona and the Brazilian national team. He is an extremely versatile player, who is capable of playing in virtually any role on the pitch. 3. Sergio Ramos Sergio Ramos' versatility makes him one of the most valuable defenders in the world today. He represents perhaps the finest example of the modern footballer. His excellence on the pitch is complemented by the gentlemanly way he conducts himself in and out of the game. 4. Tiemoue Bakayoko Tiemoue Bakayoko is a French professional footballer who plays as a midfielder for Chelsea. He is considered to be a crucial player for Chelsea, and he has even been called the best central midfielder in world football. He possesses perfect technique, complete vision, pace and strength. He is considered to be a box-to-box midfielder, as he covers a lot of ground in the midfield, and he's capable of distributing the ball with precision. He is equally dangerous with his right and left foot. The former Monaco man is considered by many to be one of the best footballers in the world today, and his position in the game is up there with the best. 5. Lionel Messi Lionel Andrés Messi Gil, commonly known as Lionel Messi, is a retired Argentine professional footballer who is widely considered to be
