“GMs and Coaches can create a strategy based on using real-life player data to solve all kinds of new problems they haven’t encountered before. This is a revolution in game development. ‘HyperMotion Technology’ allows us to create a football match that constantly makes you think ‘how would I handle this situation?’” explained VTB Bank’s head of football Kimi Raikkonen. Level head coach/manager with data and intelligent AI to simulate the in-game context and feel. Create your own AI Strategy. Set your strategy to face challenges and manage your team - or counter-strategy against enemy AI. Use all the tools in the game to devise new tactics or counter-tactics. Create a new team and make it play like your own. FIFA Edge: Create your strategy against the best AI or we’ll show you how. Impact Player Formations: Ensure your team plays to your game plan. Line-Up Trust: With Teammate AI, you can trust your teammates to deliver. Run, Shoot & Score: Manage your offensive flow to score at the right time. Energy Control: Take your time to build up a team’s match-winning momentum. Move to Win: Create passes for your team or players to get the ball into the final third. Teamwork: Manage tactics and even win as a team. Incorporate FIFA World Stars: Drawn from the EA SPORTS Ultimate Team, players available at launch include: Jose Mourinho Neymar Cristiano Ronaldo Toni Kroos Lionel Messi League Champions: Manchester United (England) Paris Saint-Germain (France) Real Madrid (Spain) Atlético Madrid (Spain) FC BATE Borisov (Belarus) NEC Nijmegen (Netherlands) Slavia Praha (Czech Republic) Two new teams: Asteras Tripoli FC (Greece) Dynamo Kiev FC (Ukraine) With season support, you can create a team and, alongside the official FIFA Ultimate Team card packs,
