- play.
- Create a new club, design your team, and define your style with your very own kit.
 - FIFA 22 also innovates with a new way for the crowd to engage with the action, introducing Cheering Souncers – a dynamic soundtrack of crowd and player chatter that heightens the pressure during crucial moments of the game. Players on the pitch also react to the noise of the crowd to influence the direction of the game.
 - FIFA 22 is the first FIFA title to deliver a more flexible 3D commentary experience; two stadium cinematics with multiple camera angles, and more traditional commentary than ever before!
 - FIFA 22 also brings two exciting Live Trackitions modes: The all-new ball-pass Navigation GPS Track as well as Custom made Kit Creator; both of which have been expanded.
