What's New In Irish Before You Know It Lite?

Never miss a single word, phrase, or sentence when you're learning Irish! Record your pronunciation with the built-in voice recorder, learn the correct pronunciation by listening to the audio examples, and build your own flash cards by highlighting the word or sentence you want to learn! Simple yet powerful database technology allows you to store any word or phrase you come across in the English and Irish dictionaries, as well as learn from the audio tips of trained native speakers. Before You Know It is a FREE personalized learning tool which is so precise that you will have perfect recall. Whether for business, school, or personal enrichment, you will quickly learn common words and essential phrases. Advanced technology customizes the learning for you. This innovative flash card system allows you to master language at your own pace, with a method proven to enhance the learning experience. Before You Know It is the fastest path to perfect learning. Before You Know It is easy to use, with a simple guided learning system that makes it fun, educational and convenient. Record your pronunciation with the built-in voice recorder, learn the correct pronunciation by listening to the audio examples, and build your own flash cards by highlighting the word or sentence you want to learn! The unique

"Perfect Practice" option allows you to hone your skills, as you repeat words for which you have recorded poor pronunciation. And, when you're learning a language it's helpful to have the ability to record and listen to the same words over and over. Language Learning Without Pronunciation Classes Imagine learning a new language in an informal setting, with word lists popping up on your screen, and audio tips that allow you to listen and learn how to pronounce the word correctly. New Words Correctly Sorted By Pronunciation You have the perfect method to learn Irish with pre-recorded audio tips on all of the words so that you don't have to spend time in a classroom learning to pronounce the word. Irish Word List You'll find an alphabetical list of the words you need to learn to communicate with in Irish. For Irish Before You Know It Lite download, follow these simple steps: 1.
