

Saona Island Private Exclusive

Enjoy the ocean breeze and crystal turquoise water of the Caribbean sea on your way to your exclusive tour in Saona Island. You will be transported via a private catamaran boat. Swim with starfish and dip in a natural pool. Indulge in a VIP Dominican lunch (hint: lobster) and have a refreshing cocktail from the open bar.

Accessible only by boat, Saona Island makes it the most popular day excursion tour to book while in Punta Cana. Starting at Bayahibe, private transportation picks you up from your resort. Onboard your private catamaran, you will be part of a boat party with varied music, entertainment, dancing, and drinks. East of the island is our first stop at Palmilla. Soak up under the sun in an unforgettable natural pool for a refreshing swim with starfish. Then, we'll sail to a gorgeous private beach area of Saona Island where you will be welcomed with an open bar of drinks. Enjoy a delicious private international buffet waterfront, highlighting delicacies like lobster.

When you've had your fill of delicious food, hang out at the private beach club, where you can enjoy the sun, the ocean breeze, and an open bar. Saona Island VIP excursion tour gives you one more taste of the high life. Swap the catamaran for a speedboat and race back through the waves to Bayahibe. What a great way to end a luxurious day!
